Grand Chief Norman Bone

WHEREAS there is a need for the Chiefs of First Nations in Treaty 2 Territory to take steps toward establishing self-government;

WHEREAS each First Nation will take the steps toward establishing their respective constitution and self-governance, and subsequently for all those First Nations to take steps to form a collective self-government based on Treaty;

WHEREAS taking those steps requires Treaty 2 to assist the First Nations to develop their own respective constitutions for self-government and to obtain and expend funds for these purposes,

IT IS RESOLVED that the Chiefs establish a provisional Treaty No. 2 Government within the Treaty 2 Territory for that purpose, with the proviso that as soon as the people of a majority of the First Nations have developed and have ratified their respective constitution and have met to establish a collective Treaty 2 constitutional government, that the Treaty No. 2 provisional Government shall cease to exist.
